

# Patient Rights

2.5 Continuing Education  
Contact Hours

Earn 2.5 Continuing Education Contact Hours from The College Network® in understanding the rights of patients. This online course is designed to describe the critical elements of patient rights that are essential for ensuring high-quality patient care.

## After completing this course, you will be able to:

- Explain what has changed in the last fifty years concerning patient rights.
- List a patient's core rights.
- Identify the differences and similarities among the major federal patient rights initiatives.
- Distinguish the different roles played by TJC and the AMA to ensure patients' rights are being protected.
- Identify the instances when patients' confidentiality and right to refuse care are not honored.
- Explain the eight patient responsibilities.
- Describe the successful and unsuccessful presidential health care proposals that are mentioned.
- Describe the rights patients have concerning hospital visitation.

## Disclosure Information

- Participants must complete the entire online course in order to earn contact hour credit. Verification of participation will be noted via successful completion of the test and the course evaluation.
- No influential financial relationships have been disclosed by planners or presenters which would influence the planning of this activity.
- No commercial support has influenced the planning of the educational objectives or the content of the educational activity.
- There is no endorsement of any product by the provider or ANCC associated with this course.
- Any appropriate use and off-label use of any products that are governed by the Food and Drug Administration will be disclosed. This course does not relate to products governed by the Food and Drug Administration.
- Contact hours for this educational activity are available until 11/30/2019.

The College Network is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's COA.
